

MML SENIOR WOMEN'S HOCKEY

Details:

MANITOBA WOMEN'S HOCKEY AT IT BEST!

The Manitoba Maple Leafs Senior Women's Team is made up of both Métis and non-Métis. The Manitoba Maple Leafs are in partnership with the Winnipeg Métis Federation and other MMF regions to provide female hockey players from all ethnic back grounds the opportunity to play at the highest competitive level possible. Through the Manitoba Maple Leafs, these girls are provided an opportunity to to compete and train in their home province as SENIOR hockey players. This will provide many unique opportunities and assist each individual player with the experience and skills they need to be successful in life.

Currently, the Women's senior team is actively pursuing the requirements of becoming a league team for the WWHL (Western Women's Hockey League). This would not only would expand MML's reputation of a competitive hockey club, but would also vastly increase the opportunity for Aboriginal and non-Aboriginal Women to play professional hockey in Manitoba.
